

President's Message: Judy Hubbard

The Holidays are getting closer and I hope everyone is doing well! With that said we have several fundraisers coming up and we need participation within the league for the Historic home tours and Showtime, which is still in need of Chair persons. Please, contact Emily or Judy to see what you can do to help. I hope the Holidays will bring you many blessings and Joy.

Notes from the Nurses

The Festival of Eating has begun! That's the time from Halloween to New Year's in my house. If this is the same for you, please try to work some vegetables and water into your celebrations, and keep walking. You'll arrive at the other side in January 2018 in better shape if you do. I will follow my own advice.

We are busy as always in the Health & Wellness Program. On 11/9, from 9am - 11am, there is our bi-annual free hearing testing, by appointment at the front desk, by SJSU Speech Pathology students and their professor, who is a licensed audiologist. California Phones comes at the same time, so if you think you'd like a free adaptive phone for hearing, vision, or cognitive needs, please stop by. They'll show you what is available and how to get it. We are also doing two activities with our USF nursing students. On Thursday, 11/2, we will promote Dementia Friends, a nationwide movement to become more Dementia friendly as communities and we will also be creating an appreciation wall, where people can leave notes for the family caregivers in their lives. Another activity, on Tuesday, 11/14, 10am - 12:30pm, we will promote

completion of your Advanced Healthcare Directive. We will have a table to give out forms and help you fill them out. Our volunteer notary, Pat, will also be holding free appointments at that time to notarize your document - one stop shopping! Our table is drop-in; Pat's time slots are given out by the front desk. More information is in the Senior Center November newsletter.

We are working on our Holiday Meals delivery list and invitations will go out the day after Thanksgiving. If you know of anyone who might appreciate a little TLC on December 13th, please give Larisa a call.

Happy holiday season to all! We are thankful for your work ~ Mallory with the H&W team: Wendy, Larisa, and Saraswathi.

2017 Historic Home Tour

The Santa Clara Historic Home Tour will be held Friday night, **December 1** and during the afternoon on **Sunday, December 2**. We are very pleased to have been invited again this year to provide refreshments and to offer Opportunity Baskets. This was a very successful fund raiser last year, thanks to your great support.

This year we will be stationed at the Jameson-Brown House, just behind the Triton Museum. Those of you who froze last year in the "open air" setting of the garage will be very pleased to know that we will be inside this beautiful home!

We are hoping to have 25-30 Opportunity Baskets. Need help with a basket theme?? I have a bunch of ideas! If you are not a basket maker, please consider donating gift cards – we try to place an appropriate one in each basket. With cash donations, we can buy addition cards.
