### SUCCESSFUL FUNDRAISER THANKS TO YOU!!

Thank you to everyone who participated in our Auction/Raffle fundraiser whether you provided a basket (last year or now), bought raffle tickets, or bid on items – our event was a great success! Preliminary profits are around \$4700!!!! Our members bought and/or sold \$2260 worth of raffle tickets and over 30 members participated.

Special thanks go to:

**Nancy Velasco, Kathy Del Pino, Diane Jones, Alma Guillot** (also volunteering for Harris-Lass), **Emily Adorable** and **Rick Mauck** who volunteered to hand out auction prizes on Saturday, March 27.

**Emily Adorable** – for handling the member raffle tickets and final organization of the raffle drawing.

**Kathy Del Pino** – for the amazing job she did in helping prepare the baskets for photographing, taking the photos and writing descriptions of the auction items for the website. This required many, many hours of work.

**Rick Mauck** – for coming up with the idea for this fundraiser, organizing it from start to finish and all the hours it took to produce the event.

Last but certainly not least – **Nancy Velasco** – who gathered all the baskets at her home, went through and repaired or replaced whatever was needed on the baskets, worked with Kathy to prepare lists of each basket's contents, handled the online raffle ticket purchases, transported baskets to the Adobe and set up baskets for the day of pickup.

All these volunteers deserve a round of applause and we wish we could cheer for them in person, but this will have to do!

Congratulations to all our dedicated members who showed how team effort can overcome any odds!!

A teacher gives her second graders a lesson on the magnet and what it does. The next day, in a written test, she includes the question, "My full name has six letters. The first one is "M". I am strong and attractive. I pick up things. What am I? When the test papers were turned in, almost half of the students answered the question with the word "Mother."

I am glad that I paid so little attention to good advice; had I abided by it, I might have been saved from some of my most valuable mistakes.
