President's Message: Nancy Velasco

Welcome fall! Please take the time to read all of the information below including the minutes, so you can be involved. We have so much to talk about I thought I'd just dive right in.

Second Vice President Needed

Currently, this position is vacant and needs to be filled.

The primary job of Second Vice President is to:

1. Preside at any meeting at which both the President and First Vice-President may be absent.
2. Serve as Chair of the Membership Committee.
3. Maintain and distribute a current roster of members.
4. Prepare for publication the annual yearbook.
5. Be listed as cosignatory on any and all bank accounts.
6. Chair annual New Members Social.

The annual yearbook has already been published. I'd like to thank Dorothy Carlson and Kathy Del Pino for accomplishing this task. As Second vice President you'd need to order name badges for new members and communicate with Maria Landaveri, publisher of the newsletter, so she can add it to the next addition of newsletter.

If you're interested in volunteering for this position, please call Nancy Velasco, as it has to have a majority vote. Remember we are a team and all work together.

SHOWTIME IS BACK!!

At our August meeting members voted to bring back Showtime in March 2023. At the September meeting we discussed how to change Showtime to make it easier for all of us while keeping many of the traditions.

1. Two performances instead of 3. Saturday evening and Sunday afternoon.
2. No alcohol
3. Food scaled back – probably (since it's a baseball theme) hot dogs, nachos, cracker jacks and maybe cookies plus water and soda.
4. Entertainment prizes – Cash only. Possible \$500, \$300, \$200 and \$100. Most people bought tickets for the cash prize before and it doesn't require gathering all of the many items for each prize.
5. Keep Opportunity baskets – maybe 10 at each performance.
6. Keep 50-50 raffle.
7. Add a silent auction
8. Use local talent from middle schools, high schools and dance groups to increase audience (families of performers.)

There may be more changes to come but these are the highlights. Nancy Velasco and Emily Adorable volunteered to be co-chairs of Showtime and several members volunteered for other committee chairs. NOW it's time for all members to step up and let us know how you will help!

Will you put together a basket or volunteer to chair a committee? Will you ask for donations and sponsorships? Will you donate money for Showtime? Whatever works for you is perfect. The most important thing is that every SCWL member does something to help beforehand AND then plan on working at Showtime on either March 4 or 5, 2023 or both performances. Please come to the **October 11** general meeting and let us know how you plan to do your part!

Notes from the Nurses

The Health & Wellness Program RNs are taking a little time for ourselves to recharge before the holidays. Mallory will be back at her desk on Friday, October 7th. Larisa will return to her office on October 12th or 13th, depending on how her return flights go. Jodi will be out for several weeks, returning towards the end of the month (date unknown as of this writing).

Our focus in October is on breast health and cancer, for anyone who has breast tissue. Please get your mammogram, if you're still needing those, and don't forget monthly self-checks. Covid19 sort of pushed our regular health maintenance needs aside for a while. It's time to get back on the program.

Speaking of boosters, please get yours and your flu vaccination. Flu surveillance from Australia and those countries that are 6 months ahead of us seasonally are experiencing a more severe flu season than in the past. Please don't get caught by surprise. Get your vaccines.

We wish you a wonderful Autumn. We will be back in the saddle before you know it. If you need assistance while we're out, please check with the Front Desk. They have resource lists and program information for the community that might be what you need.

Take care,

~Mallory,Jodi,&Larisa

Advice is what we ask for when we know the answer but wish we didn't.

The October general meeting guest speaker is our own **Nancy Toledo**. She will be speaking about the work of the Senior Advisory Board.

Why is it whenever you attempt to catch something that's falling off the table, you manage to knock something else over?
