

President's Message: Nancy Velasco

On behalf of Emily Adorable, Judy Hubbard and I, we'd like to thank each and every one of you for participating in Showtime 2024. This year we had a greater attendance than in past years. I contribute this to the Publicity Committee reaching new heights to bump up interest and attendance. Every committee and their volunteers did a phenomenal job making this a huge success. I think that all of you are amazing! Our net proceeds were just under twelve thousand dollars, something to be proud of.

-----New President Needed-----

We want you!!!!

Judy Hubbard, Marti Ragone and I are on the nominating committee and we need a whole new slate of officers. All positions have been filled except for President.

Would you like to be our fearless leader?

The responsibilities are:

- Prepare the agenda for general meetings and conduct the meetings
- Write the President's message for the monthly newsletter
- Co-signer on checks
- Appoint the chairs of all regular and standing committees
- Best of all - you get to work with all of these wonderful members!!

Election of 2024-2025 officers will be voted on at the April meeting.

Breakfast Club: Monday, April 15, 2024- 9:00am at Mission City Grill.

Next General Meeting: Tuesday, April 9 at 1:15pm

Health & Wellness Program Highlights

Spring has sprung and we have a fun April lining up. Katy's current support groups, Color Me Calm and her Short Story Reading Group, are full and enjoying their activities.

Our Memories & Hugs sewing group that partners with Kaiser Hospice could use a few more volunteers! They meet monthly on the third Monday of each month (so April 15). Sewers take cherished garments from the families of people who have died and turn them into keepsakes. They use the meeting time to socialize, pick up new projects, and drop off completed bears or pillows.

We will be featuring Earth Day in April, with a screening of two short films, one about a modern-day gold prospector and one about a community garden in Santa Cruz. These shorts spotlight the themes of individualism, stewardship, and how we think about our environments.

Santa Clara Valley Medical Center's Burn Center nurses are coming on Wednesday, April 17, to teach us burn prevention and first aid. They are a lot of fun, have incredible stories since they are on the frontlines of burn science, and it's always good to get a refresher. Please come if you can.

We also will host a presentation on April 10th by the Santa Clara County DA's office, Consumer Protection Unit, to talk about their free services to help consumers deal with business fraud. Jodi will be starting a handiwork group, Keep Calm & Carry Yarn, for drop-in participation on May 8. We're excited about this group since we are focusing this year on social connection and so far, we are hitting the mark with our offerings.

Please see the Senior Center April newsletter for details! All our best ~ Jodi, Katy, Larisa, and Mallory

SHOWTIME 2024

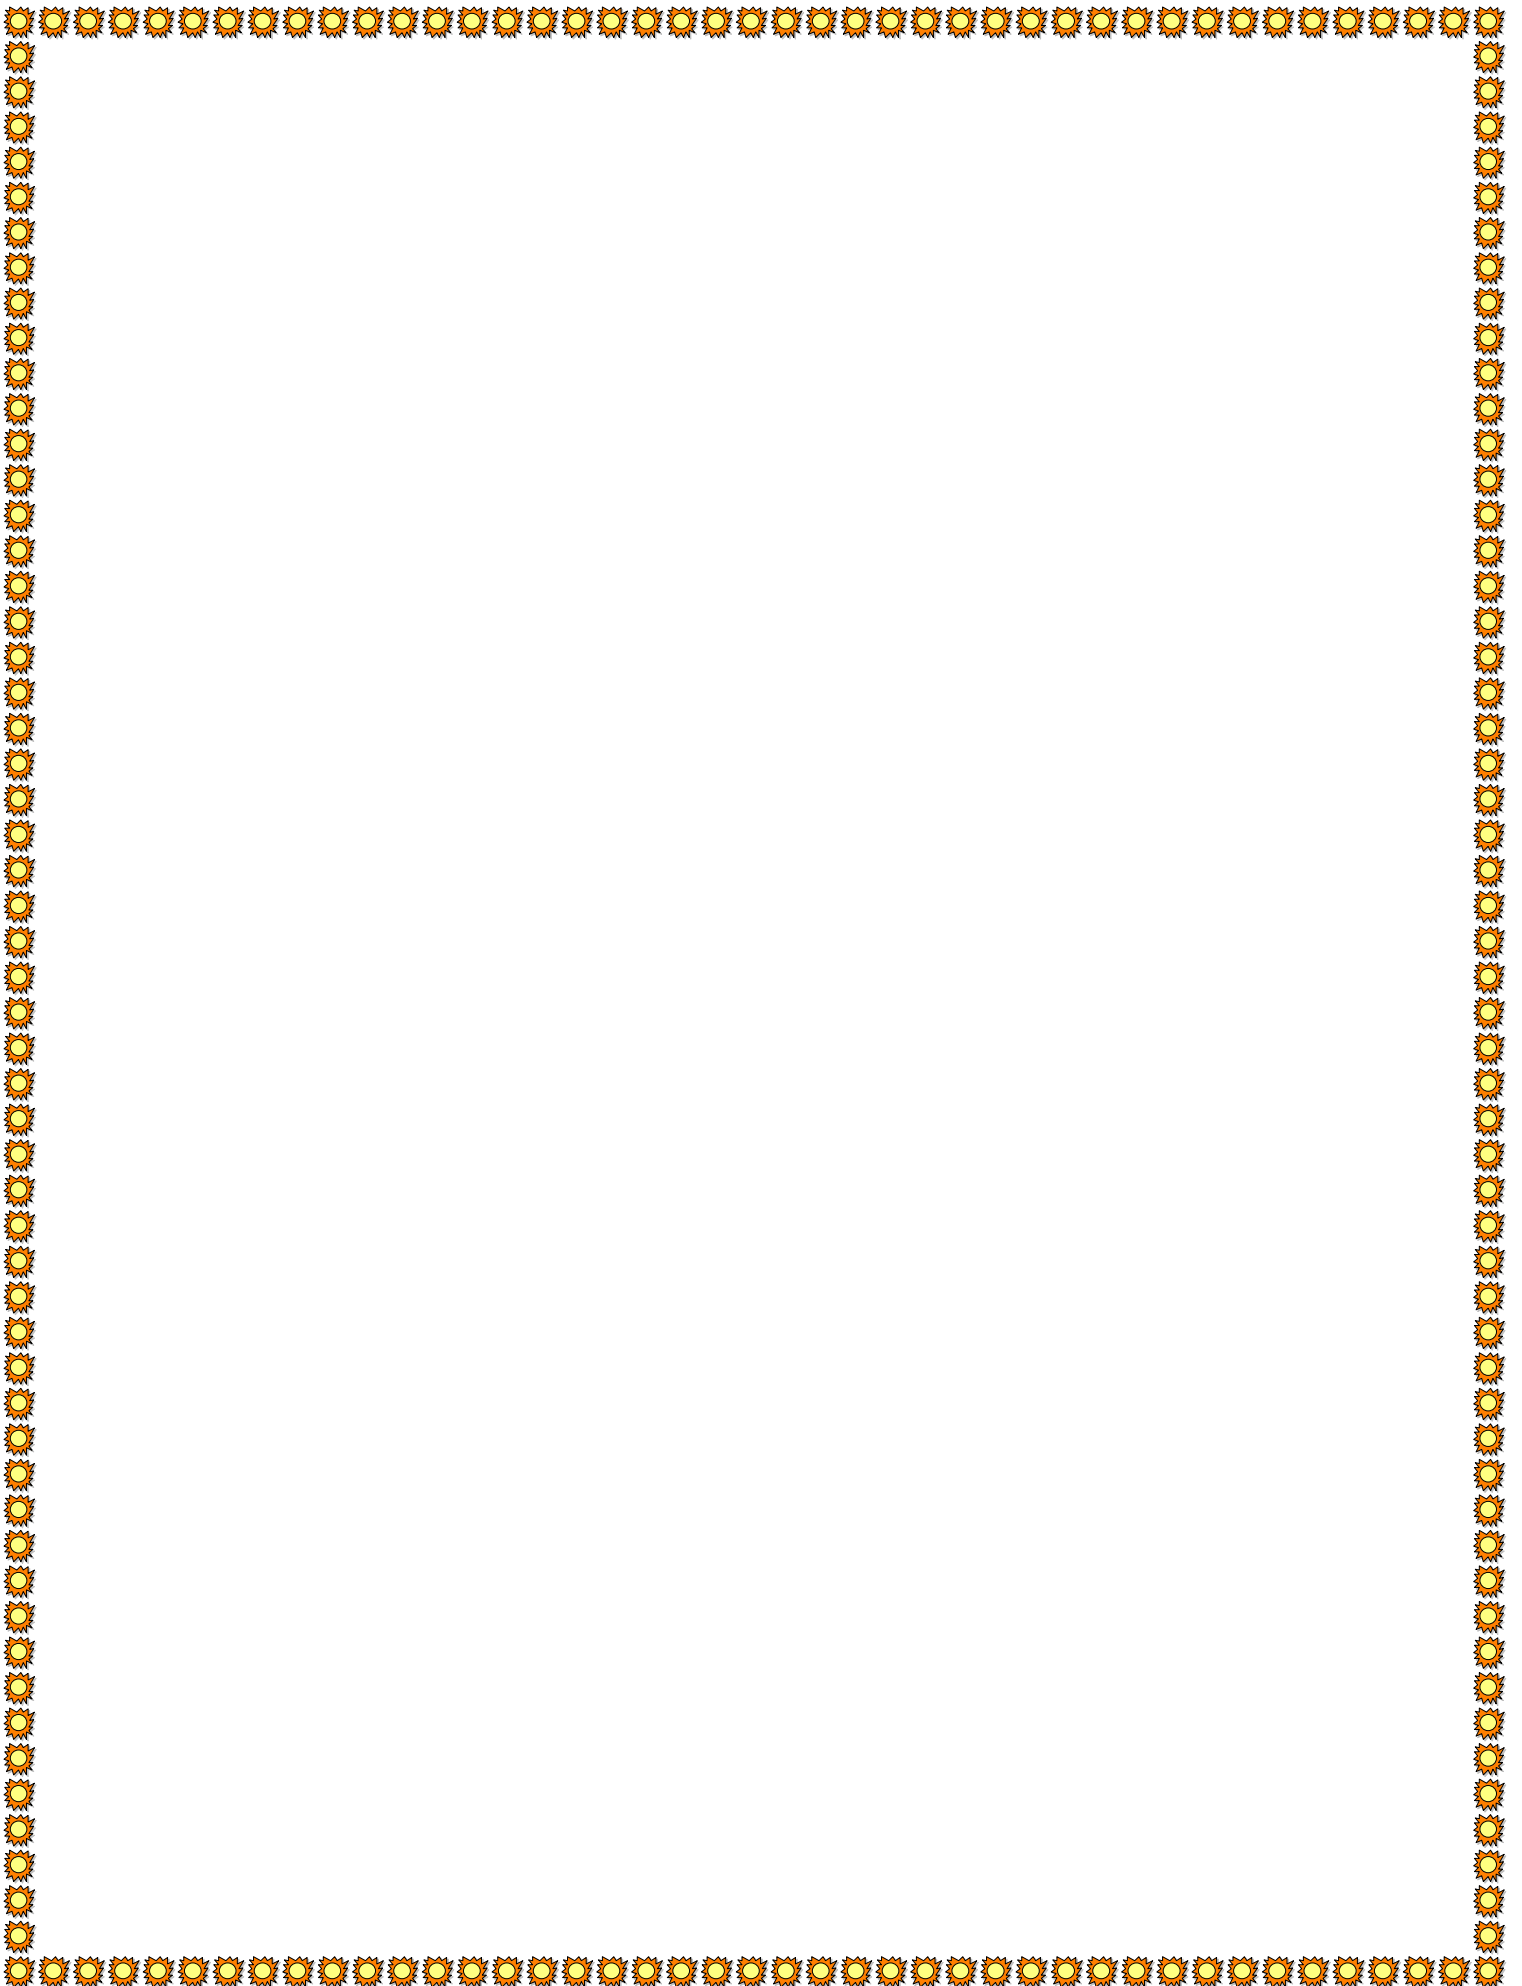

It was so great to see the smiles and hear the laughter of the audience and our members on March 2 and 3. We couldn't have asked for a more successful weekend, and it was due to ALL of you and your dedication to SCWL and the Senior Center!!! The food was delicious and went fast!!! The baskets were beautiful and made lots of cash!! The cash prizes and travel prizes also made lots of cash but basically were a huge draw for our attendees! 50-50 earned more money than ever!! Set up and clean up went well and with all the hands helping, it went very quickly! We are so lucky to have members who are willing to help and remain flexible!! Thank you again for everything and hope you enjoyed and had fun on our profitable weekend. A special thanks to all of our Committee Chairs: Diane Jones, Cyndy Rice, Mallory von Kugelgen, Wanda Buck, Emmy Moore-Minister, Alma Guillot, Nancy Toledo, Sharon Andrzejewski, Bobbi Estrada, Roseann LeCoursiere, Georgia Sutter and to our outstanding Treasurer, Kathy Del Pino who kept the money flowing!!!!
