***President's Message: Emily Adorable***

A GREAT BIG THANK YOU to all of you for making Showtime 2025 such a big success!!!

Whether you donated money or a basket or a gift card or solicited donations or helped on a committee or sold cash prize tickets to your friends and family or fulfilled your work schedule at Showtime or publicized the event to the community and to your friends and family or anything I've forgotten – YOU made a difference!!!!!! At our March 11 General Meeting we will have a rough idea of how much money we raised and at our April meeting we will have a detailed report for you. Thank you to Sharon Andrjewski and Carolyn Johnson who successfully chaired the entire event and did an amazing job!! Thank you to our committee chairs – Diane Jones, Cyndy Rice, Anna Guibao, Wanda Buck and Emmy Moore Minister, Kathy Del Pino, Roseann LaCoursiere, Emily Adorable, Mallory von Kugelgen, Kim Cowell and Georgia Sutter – they each put in many hours to fulfill their responsibilities, adding to our success! Now that it's over, please pat yourself on the back and say "A job well done!" Please join us in Room 231 on March 11 at 1:00 PM for our general meeting so we can congratulate all of you in person and celebrate our success. You have made a commitment to SCWL and helped the Senior Center in so many ways!

***Health & Wellness Program News***

I'm writing this a few days before the opening of Showtime. Katy, Jodi, and Larisa and I are so appreciative of the hard work, time, and money all of you have invested in making this upcoming weekend a fun, successful event. We aren't sure what to expect for the rest of 2025, but we have gotten very busy, helping people access health care, plan for the future, and being friendly, reassuring faces to those who are feeling unstable these days. What we do is important and we are so glad you are part of that.

We're starting a new activity in March and we'll see how it goes. It's called "Show and Tell," held on Fridays from 1pm - 2:30pm. The idea is for folks to gather together to share stories, experiences, hobbies, or unusual objects. If it takes off, we'll continue. Please join us, either to tell us about a trip or an idea, or to just listen. More than ever, we need our community, right?

Break a leg, all!

Mallory, Katy, Jodi, and Larisa

**Our monthly breakfast get-togethers**

On Tues. Feb. 18th fourteen of our members met at **Denny's, 1745 El Camino Real near Scott Blvd.** in Santa Clara for breakfast. This was a trial run to see whether the venue would be appropriate for our needs. The manager was very accommodating and set tables up in the large back section, so we were away from the general public and had our own private area. Overall, it worked out very well. The service was great, we were able to have separate checks and when you order off the regular menu you can use your AARP card to receive a discount.

Mission City Grill has been a wonderful place to meet for many years. However the prices can be somewhat prohibitive. In order to increase attendance, Denny's less expensive menu might encourage more members to participate in this monthly gathering. As "proof", our attendance on Tues. was fourteen members vs. ten to twelve at Mission City Grill. A few of our regular attendees couldn't make it that day or there would have been eighteen or twenty! Going forward Denny's seems to be a good alternative for our monthly "food fest". Please join us at 9:00 AM on Monday March 17 (wear your green) for our next breakfast!

A big thank you to Georgia Sutter for getting this organized and implemented for all of us!!!!

It is human nature to think wisely and act in an absurd fashion.
