### ***President's Message:***

Thank you, Mallory, for giving our members such an informative start to our Showtime Opportunity Baskets at our October meeting. For those of you who could not attend, be sure to watch the upcoming newsletters for basket ideas. It is great to get a head start on these especially during holiday sales!!

The first Showtime Committee Chair meeting is November 6 and you will receive a report from Sharon and Carolyn on our progress at our November meeting. Sharon and Carolyn have been busy behind the scenes getting all the paperwork into the city – rehearsal space, banner permits, and reserving CRC for March 6-8 for Showtime. Thank you to the two of them for being on task and getting us off to a great start. If you are willing to be a committee chair, please contact them so you can attend the November 6th meeting.

Please plan to attend the **NOVEMBER 18 general meeting (note change of date due to Veteran's Day closure of Senior Center on November 11)**. We all know that Showtime is our focus from now until March but you will also hear about the Holiday Luncheon we provide for the Senior Center and our own Holiday Party for members at the meeting.

I am still looking for someone to work on getting informational speakers for our general meetings. There are many nonprofits who would like to inform our members about their organization. Even if you are new to the job, we will help you find speakers. All you would have to do is contact them and set up the date. It is an excellent job for a new member that wants to get more involved. Contact me if you are interested.

Dolphins are so intelligent that within a few weeks of captivity, they can train a man to stand on the edge of their pool and throw them fish three times a day.

### ***Health & Wellness Program News***

As we head into the busy holiday season, we are thinking about all of the family caregivers in our community. Caring for family, friends, and neighbors is a rewarding, important, and daunting endeavor ~ and adds to the stress of extra activities and the traditions of the season. We are mindful that it takes a village, it's okay to scale back, "nope" is a complete answer, sleep is essential, and as we say in my house these days, "It's okay. You don't have to like it, you just have to do it." We wish everyone a peaceful, meaningful Thanksgiving in the way that works best for you. We hope you get lots of hugs and some pie.

Take care, Larisa, Katy, and Mallory

### ***Showtime Opportunity Baskets***

Thanks to the folks who have already gotten in touch with me about baskets and gift cards. Please don't forget to give me the donor form so I don't have to do that part myself.

At our next meeting, I will have a sign-up sheet for people to indicate their plans. I'll suggest some basket themes that have done well in the past. I'm open to ideas not on the list. The goal of the sign up list is to prevent an overabundance of one type of theme, to provide ideas, and to make sure we have 45 baskets at the end!

Much appreciation for everyone's support.

Let me know if you have questions. Mallory vonKugelgen

Between stimulus and response there is a space.  
In that space is our power to choose our response.  
In our response lies our growth and our freedom.
