Health & Wellness Program News

President's Message:

Ready for Showtime!!??? Yes, we are!!!! Only 10 days away and we are looking forward to raising lots of funds for our Santa Clara Senior Center Programs!! You will be receiving a call next week from the chairperson of the area where you are working at Showtime. You can ask them any questions you have about your Showtime task.

Great news! This week we received a \$2000 donation from Rotary Club of Santa Clara after Wanda and I and the Director and Assistant Director of the Showtime Melodrama visited a Rotary meeting to tell them about SCWL and Showtime. Many of their members are also coming to the Friday Show.

Not so great news! The city has fenced off the parking lot south of the CRC that is closest to Homestead so that leaves only the parking lot outside the CRC for our audience. Because of this we are asking for our members' help. If possible, please have someone drop you off and pick you up for your shift or carpool with other members. If you need to drive, we are asking you to park either at the Central Park School parking lot which you can find at Benton and Sonoma Drive. From there, there is a gate that takes you to Kiely Blvd. and you can walk south to the CRC. Or you can park by the softball fields/pool area and walk west over the bridge to the CRC. If you are not familiar with the area, please take the time to go over during the day next week and check it out. On Friday and Saturday, you will be arriving in daylight and then several of us will shuttle you back to your car at the end of Showtime when it will be dark. Sunday is not a problem because it will be daylight the whole time. Sorry to have to ask you to do this, but we do not want attendees showing up, not finding a place to park and then leaving! We appreciate your understanding!

Our next general meeting is **Tuesday, March 17, which is the third Tuesday**, not the usual second Tuesday so we can have a preliminary report on Showtime. We will also talk about Officers for next year and appoint a nominating committee.

Looking forward to seeing you all on March 6, 7, or 8 or all three days!!!

Emily Adorable, SCWL President

Showtime is just days away. Larisa and Katy join me in thanking you all so much for your hard work to produce this event. The funds generated and donated to the Senior Center go to good use. A large chunk of enables the annual health and wellness fair (#10 this May!). We are also able to make sure that the few items we need are state of the art, such as our blood pressure monitors. Staffing is up and some activities and programs pushed to the back burner will finally have a chance to be implemented. Good things happening in 2026! Thank you for your continued support.
~ Katy, Larisa, and Mallory

Opportunity Baskets
Just about every basket is in my dining room now and all will be ready for the 6th! All told, we have 38 baskets and I'm excited for you to see what treasures will be on display. If you have signed up to work in this section during performances, I will contact you on the 1st or 2nd to check in and go over your role. Many thanks to all for a seamless experience! ~ Mallory
