P.O. Box 3033 - Santa Clara, CA 95055-

President's Message: Emily Adorable

It has been my privilege to serve as your President these past two years! Together we have accomplished all our goals:

1. Increase membership and participation: **We now have 73 members that is more than we have had in the past fifteen years thanks to our Second Vice Presidents and Membership Committee and all of YOU who have brought friends and neighbors to our League.**
2. Continue to welcome new members and encourage inclusion of all members at meetings and events: **New members receive a welcome phone call from our Second VP and are presented with a pin at our meetings. At each meeting we all introduce ourselves and cheer for our new members as they join us!! Most importantly, we learn each other's name!!!!**
3. Develop more community outreach and publicity to increase SCWL's profile and donations: **This year we were able to give our largest donation ever to Senior Center Programs because of our partnerships with Samsung, Rotary Club of Santa Clara and donations received from local businesses. Our participation in Parade of Champions and community events is making SCWL well known throughout our city.**

My tenure as president could not have been successful without my amazing Board of Directors: Sharon Andrzejewski, Wanda Buck, Anna Guibao, Bobbi Estrada, Kim Cowell, Carolyn Johnson, Nancy Velasco, and Nancy Toledo. Each one of them performed their responsibilities faithfully and were always ready to help in any way possible. Our Showtime co-chairs: Sharon Andrzejewski and Carolyn Johnson, along with our Committee Chairs worked tirelessly to prepare for Showtime 2025 and 2026 and our members volunteered their time both years to make Showtime a roaring success!! I know our new Officers who will be installed on June 9 at our luncheon will keep the ball rolling and continue our traditions as Santa Clara Women's League only gets better in the future!!! Thank you everyone for supporting me and giving your best for our cause!!!!

Health & Wellness Program News

Another very successful health & wellness fair is on the books, our tenth year! Many thanks to the SCWL for their continued sponsorship and participation. People said they really enjoyed it. Over half the money donated each year goes to the fair, with a contribution by Kaiser. I don't know the total number of attendance yet (I'm off this last week of May), but I do know we had 72 organizations over the three day event. I am not a believer that bigger is better, but it just keeps getting bigger anyway, because how to say "no" when these fantastic programs call and ask to be included?!

As all have heard endlessly, my last day at the Senior Center will be Tuesday, June 30th. It has been a wonderful place for me to spend almost 18 years. It has been a pleasure working with the many different people on staff. In all that time, I have never once had the Sunday Dreads about going in on Monday. As a RN, being able to affect the health of older adults has been incredibly meaningful. Partnering with people to navigate some of the most intense, stressful times of their lives has been a privilege. I have had the top ten best laughs of my life doing this work.

Some of the services I've provided will be on pause while a new coordinator is discovered. Larisa, Denisse, and Katy will continue to anchor the Health & Wellness Program with their own responsibilities. As I've seen many times over the years, things begin and end, all in their right time. It's good to have an opportunity for change and new ways of thinking about and designing this work with fresh eyes. It will all work out.

Many, many thanks to you all for your friendship and your support.

Wishing you the best, Mallory
